Majority Report: Do pass.

Signed by Senators Fairley, Chair; Oemig, Vice Chair; Benton, McDermott, Pridemore and Swecker.

Background: Each county's board of commissioners must provide furnished office space in the county courthouse for each of the county officers. That office is the official office for that officer. County officers include the clerk of the superior court, the sheriff, the treasurer, and the road engineer.

Summary of Bill: County boards of commissioners may provide additional office space outside the courthouse, so long as an office is maintained within the courthouse. The office in the courthouse does not need to be the official office.

Gender-specific language is replaced.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony: PRO: In many counties, the courthouse is not in the same area as the majority of the population. Many county officers already have multiple offices to address the needs of the population.
